

INVITATION TO HOST A FUTURE ACADEMY EVENT

Future Academy (formerly known as Cognitive-crcs) was founded in 2007 by Dr Zafer Bekirogullari. During the organization's first event, the International Conference on Special Education in Cyprus (ICOSE), he recognized the need for conferences to serve other disciplines. Thus, he enlisted the help other professionals to help organize additional professional conferences. Among them were Dr. James Ogunleye (Middlesex University), Dr. Gordon Ade Ojo (Greenwich University), Prof. Dr. Jim Johnson (Point Loma Nazarene University), and Dr. Hugh Glenn, Professor Emeritus (Pepperdine University).

To date, more than 3,500 academicians and guests from more than 90 countries have attended a Future Academy event. More than 80 International professionals serve as members of its Scientific Committee or Board of Reviewers.
