

Future Academy®'s Multidisciplinary Conference will meet in Istanbul in 13-17 October 2015. This multidisciplinary conference also serves to celebrate the **8th anniversary of Future Academy**, formerly known as Cognitive C-crcs Counseling, Research & Conference Services. Participants will attend individual conference and congress presentations as well as multidisciplinary presentations.

This conference brings together these annual events:

**6<sup>th</sup>** International Conference on Education & Educational Psychology (ICEEPSY)  
**3<sup>rd</sup>** International Congress on Clinical & Counselling Psychology (CPSYC)  
**2<sup>nd</sup>** International Conference on Business & Economics (BE-ci)  
**2<sup>nd</sup>** International Conference on International Relations & Sociology (icPSIRS)

This multidisciplinary conference presents an opportunity for members of the several academic communities—researchers, professors, teachers, practitioners, and vendors—to gain new knowledge and skills, to interact, and to share research findings in Presentations, abstracts and complete papers, will be published in the proceedings of each conference.

Multidisciplinary Conference is organized by:
